EXPERIENCE

Video Editor & Motion Designer · Moxie Pest Control

Jan 2025 - Present

Showing off the successful salesman lifestyle through event recaps, trip teasers, and a weekly leaderboard series.

- Produce 2-3 videos per week including a weekly top-10 sales leaderboard series distributed company-wide.
- Designed and built ~10 mogrt templates enabling data-driven, scalable video production.
- Collaborate with corporate teams to maintain consistent branding across all video output.

Freelance Video Editor · Not Enough Nelsons

Mar 2024 - Nov 2024

High-volume family vlog editing for a 5.42M-subscriber channel — creative freedom lived in the animations and graphics after the cut.

- Produced high-retention edits averaging 2.9M views per video across the channel.
- Managed 4-8 hours of raw footage per video, efficiently selecting the highest-quality clips.
- Applied compositing and motion tracking to create polished, impactful moments throughout.

Lead Video Editor · Rose Anvil

Sep 2022 - Jan 2024

Built the motion graphic foundation and elevated the editing style, scaling output from 1 to 3-4 videos per week.

- Trained 2 editors and overhauled the workflow, scaling output across multiple channels.
- Built custom Motion Graphic Templates enabling efficient, consistent data input across videos.
- Enforced brand consistency and editing standards across all content produced by the team.

Video Editor · Dava Marketing LLC

Aug 2021 - Jun 2022

Entry-level and relentless, editing for creators like Jake Paul while developing the motion design instincts that drive everything since.

- Managed 3 videos per day across a wide range of YouTube clients in gaming, lifestyle, and sports.
- Adapted quickly to each client's style and brand while maintaining quality under tight deadlines.
- Built foundational skills in client communication, asset management, and high-volume delivery.
